

STORM SYSTEM®

The Storm Small Moon is part of the STORM SYSTEM® collection. A collection that includes a wide range of special designed products. The STORM SYSTEM® collection is carefully designed to flush the surface of any ceiling or wall, and all products will appear with an absolute minimum of tolerance and visibility.

The Storm Small Moon is designed to flush ceilings or walls. The soft, pleasant light is a perfect solution for a night light.

The crossed-out wheeled bin symbol indicates that the item should be disposed of separately from household waste. The item should be handed in for recycling in accordance with local environmental regulations for waste disposal

--------	---

NOTE

The light source of this light fixture is not replaceable; when the light source reaches its end of life the whole light fixture must be replaced.

Be cautious while putting on/off the power supply, as excess current, excess voltage or reverse voltage may get injected to the device in some cases.

Storm Small Moon is for INDOOR USE ONLY, and is not suitable for wet/damp locations.

INSTALLATION DEPTH

Be aware – external driver location is recommended.
For specific light source conditions – [review CONFIGURATION](#) ➤

IMPORTANT INFORMATION

Installation and mounting must be performed by a certified electrician only, and instructions must be followed.

Always make sure the main power is off during installation. Pay attention to the fixture remarks, and always make sure to use the correct voltage.

CLEANING AND MAINTENANCE:

Use a soft moist cloth for cleaning. No further maintenance is required.

WARRANTY:

If the product is defect, please contact your supplier immediately. Please note that warranty will not apply in case of wrongful use or if unskilled personnel attempts to repair.

COMPONENTS

- Storm Small Moon
- Suction cup for disassembly

PLEASE NOTE:

If the spring on the fixture is damaged, do not proceed installation – contact your dealer!

STORM SMALL MOON

ASSEMBLY INSTRUCTION

STEP 1

Connect the supply cable with Storm Small Moon's cable, then mount the fixture into the plaster ring/back-mounted ring. Do this by slightly rotating the fixture.

BE ATTENTIVE! Make sure you are using the correct power supply according to the fixture.

NOTE: When rotating the fixture choose the direction with the least resistance.

IMPORTANT INFORMATION

Disassembly must be performed by a certified electrician only, and instructions must be followed.

WARRANTY:

If the product is defect, please contact your supplier immediately. Please note that warranty will not apply in case of wrongful use or if unskilled personnel attempts to repair.

STORM SMALL MOON

DISASSEMBLY INSTRUCTION

STEP 1

Place the suction cup over the fixture.

STEP 2

Turn the handle to ensure suction, then pull down gently, whilst slightly rotating.

NOTE: When rotating the fixture choose the direction with the least resistance.

STEP 3

Disconnect the cables
